RE: Crop hail, flood, or earthquake premium exclusion form

In connection with the calculation of member participation percentages in the Texas Windstorm Insurance Association (TWIA) for Texas licensed insurance companies, TWIA now relies on premiums and loss information provided to it by the Texas Department of Insurance for each carrier. As a result, Texas licensed insurance companies no longer have to provide their annual year-end Texas State Financial page (Exhibit of premium and losses) each year.

TWIA still needs to collect the supplemental exclusion form that indicates if your company has any premium for **crop hail, flood, or earthquake** policies included in lines 2.1, 3, 4, and 5.1 on the Texas State Financial page.

Attached, please find the supplemental exclusion form to identify crop hail, flood, or earthquake premiums where they are included on lines 2.1, 3, 4, or 5.1 of your annual statement. **Please return the supplemental exclusion form by March 1, 2024, to:**

Texas Windstorm Insurance Association
P.O. Box 99090
Austin, TX 78709-9090
Attn: TWIAParticipations

Or email form to: TWIAParticipations@twia.org

RE: Crop hail, flood, or earthquake premium exclusion form for year 2023

The Texas Windstorm Insurance Association (TWIA) uses statewide written premiums reported on the individual company's Texas State Financial page for lines 2.1, 3, 4, and 5.1 in its calculation of the annual percentage of participation. If your company has any premium for **crop hail, flood, or earthquake** policies included in any of these lines on your annual statement, please show the exact amount and business line on this page so it can be excluded from your statewide premiums provided to TWIA by the Texas Department of Insurance.

<i>Peril</i>	<i>Dollar Amount</i>	<i>(Business Line Reported in the 2023 annual statement)</i>
Crop Hail	\$ _____	_____
Flood	\$ _____	_____
Earthquake	\$ _____	_____

Please, do not return this page unless premium is to be excluded for the lines indicated above.
